RECONCILIATION TESTIMONY

To whom it may concern ,

I am a direct descendant of the King of Kauai , King Kaumualii. I know we are on speed time and can't turn back time. The simple solution is to get with Department of Hawaiian Home Lands. They have a list of all the Kanaka Maoli (50% Hawaiians by blood quantum). They use this to qualify us for movement on the lands. This list will help start the compensation process for the illegal overthrow. 107 years have gone by. Compensate each kanaka maoli by sending a check directly to each kanaka maoli on the list. In the amount of ONE MILLION DOLLARS and 20 thousand dollars annually non taxable. The reason I say pay it directly is so that theres no middle man funneling monies. Example OHA say they have allot of money but it's like pulling teeth to get it. You can meet a requirement but still be denied. We don't need monies we have to apply for just pay us direct. this amount of money I'm asking for is to give us a jump start. This would assist in medical, education, transportation, housing, food, insurance's, etc... just to keep up with the American way. We can't turn back in time. note: The annual check is for the rest of our life.
